Keratin Hair Smoothing System -

A Semi Permanent Solution

This is the full service for those wanting to eliminate frizz completely, increase the condition and shine, wear a straighter look and reduce blow drying/flat ironing every morning, while still maintaining the body in your hair. This service lasts 3-4 months depending on your homecare regimen and hair texture. Prices include a patented shampoo and conditioner that must be used for maintenance...
from \$350 and up

Consultation required. Lifestyle needs and hair types determine specific service recommendations.

Our services are provided a-la-carte and the pricing listed reflects our entry level. Pricing varies based on the demand of your stylist's time, the amount of product used and/or the time needed to complete your service.
