

UPTOWN

SALON & SPA

COVID-19 | TEMPORARILY CLOSED

Hello,

I am writing to inform you that I've decided to close all Uptown Salon & Spa and Uptown Seaside Salon operations effective immediately.

Over the last week, the country has faced unparalleled changes that impact our daily lives. Our focus remains on the safety and well being of our staff, customers and the community we serve. Managing our business carefully during this unprecedented time strengthens our ability to continue to serve you and deliver the great guest experience you expect from us.

I promise to stay in contact with you regarding when we will reopen. Our intention is to reopen March 31st, but with news changing daily, our plans need to be flexible.

Until then, we'll be sharing inspiration and ideas for creating wellness and self-care at home on our social media platforms. I invite you to join the conversation and contribute your ideas as well! Perhaps in some small way, we can help take care of one another and feel better during these uncertain times.

Please stay healthy and safe,

Maryanne Aluzzo, Co-Owner and General Manager
