At Uptown we believe in total price transparency and take pride in coordinating hair care services that match each guest with the best fit stylist for their hair care needs and their beauty budget. We provide our guests with Level Pricing. The level of each Service Provider is based on their demand of time. Inquire with a Guest Service Expert for each Service Provider's current level, and the pricing associated with that level.

Keratin Hair Smoothing System -

A Semi Permanent Solution

This is the full service for those wanting to eliminate frizz completely, increase the condition and shine, wear a straighter look and reduce blow drying/flat ironing every morning, while still maintaining the body in your hair. This service lasts 3-4 months depending on your homecare regimen and hair texture. Prices include a patented shampoo and conditioner that must be used for maintenance...
